Dear Ms. Sugarman:

The Chris Day for Congress Exploratory committee (hereinafter "Committee"), FEC ID# C00574426, is in receipt of your Request for Additional Information (RFAI) dated August 24, 2015 referencing the Statement of Organization. The Committee's response follows.

The Committee has reviewed its Statement of Organization and did not include information regarding the office sought by the "candidate" listed. This committee is exploratory in nature and the person named as the "candidate" has not yet determined what district, if any, he will seek for election. Additionally, the committee has not raised or spent in excess of 5,000.00 which would trigger the "candidate" to register with a completed Form 2.

The committee has, as of the date of this letter, submitted an amended Form 1 electronically signed by me.

Sincerely,

Cabell Hobbs
Treasurer
